

International Astronautical Federation (IAF) / International Astronautical Congress (IAC)

Contacts

- 1) Luis Alfaro
Founder Member, Vice-President & CBO
El Salvador Aerospace Institute, National Institute for Aerospace Research & Development
San Salvador, El Salvador
- 2) Philip Bellstedt
Digital Systems Engineer
SCS Aerospace Group
St. Andrews, South Africa
- 3) Suresh Bhattarai
Chairman
Nepal Astronomical Society (NASO)
Kathmandu, Nepal
- 4) Amal Chandran
Project Manager, Laboratory for Atmospheric and Space Physics
University of Colorado
Boulder, Colorado, USA
- 5) Remi Chandran
Research Associate, Environmental Urban Systems Section
Center Social and Environmental Systems Research, National Institute for Environmental Studies
Tsukuba, Ibaraki, Japan
- 6) Mengu Cho
Professor, Department of Integrated System Engineering
Director, Laboratory of Spacecraft Environment Interaction Engineering
Kitakyushu, Japan
- 7) Juan Gramajo
Space Generation Advisory Council
European Space Policy Institute
Guatemala City, Guatemala

- 8) Denise Herzing
Research Director/Founder, The Wild Dolphin Project
Department of Biological Sciences, Florida Atlantic University
Jupiter, Boca Raton, Florida, USA

- 9) Jeanne Holm
Assistant General Manager, Deputy Chief Information Officer
Information Technology Agency
Los Angeles, California, USA

- 10) Eric Korpela
Professor, SETI (Search for Extraterrestrial Intelligence)
Berkeley University
Berkeley, California, USA

- 11) Sanath Panawennage
Director General & CEO
Arthur C. Clarke Institute for Modern Technologies (Ministry of Science, Technology & Research)
Katubedda, Moratuma, Sri Lanka

- 12) Rogel Sese
Program Leader
National Space Development Program
Makati City, Philippines

- 13) Alain Topete
Director
Centro Comunitario para la Comunicacion de la Cultura y la Ciencia
Zapopan, Jalisco, Mexico

- 14) Nicolas Walter
Senior Science Officer
European Science Foundation
Lezay-Marnesia, France
