Professor LeRoy Larry  
Department of Physics  
Mailbox #12  
University of Costa Rica  
Montes de Oca  
San Jose, Costa Rica 2060

Dear Professor Larry,

**Official Invitation**  
**National Workshop on Astronomy for Teachers**  
**Federal University of Technology, Akure, Nigeria, 22-23 June 2016**

On behalf of the Federal University of Technology, Akure, it is our pleasure to invite you as a Guest Speaker and Professional Trainer at the National Workshop on Astronomy for Teachers, to be held at the Federal University of Technology, Akure, Nigeria, from 22 to 23 June 2016. We are aware that you will be joining the Costa Rica delegate to attend the fifty-ninth session of the Committee on the Peaceful Uses of Outer Space (COPUOS) in Vienna slated for 8 to 17 June 2016, and you will use this opportunity to attend the National Workshop on Astronomy for Teachers in Nigeria. We will provide you with funding support which consists of an air ticket – the most economic fare – from Vienna, Austria to Lagos, Nigeria, and from Lagos to San Jose, Costa Rica. We will also make available to you accommodations, transportation and living expenses for up to six nights while in Nigeria.

We would appreciate it very much if you would confirm your participation with the funding support we are providing by sending an e-mail. Please send your confirmation to Mr. Olumide Akande at [olusamakande@gmail.com](mailto:olusamakande@gmail.com) at your earliest opportunity but no later than Tuesday, May 24, 2016.

Please note that it is the sole responsibility of the international participant to get adequate health insurance and to obtain any required visa, including any transit visa, as well as an International Certificate of Vaccination against Yellow Fever, if needed.

We are looking forward to your participation in the workshop.

Yours sincerely,

**Professor J. O. Akinyede**  
**Director, CESRA, FUTA**
